# Everyone is entitled to a life without violence!

The Runder Tisch gegen Häusliche Gewalt Arnsberg-Sundern has been a multi-professional association in the western Hochsauerland region since 1999. The members sensitively advise, guide and support victims of domestic violence. They facilitate access to further help through their expertise and regular networking.

## Domestic violence is

- Not a private matter and punishable by law
- Abuse of power
- Not uncommon in relationships between couples and families
- Particularly hurtful
- Not just physical violence, but also sexual, psychological, economic, digital and social violence
